July 2010

**Business Meeting
Sunday, July 25**

russell@faithfellowshipbaptist.com

July is such a busy month. The Fourth, Youth Camp, VBS and all kinds of other things. We need to be praying very fervently. Pray for our workers, that God will grant them stamina and patience. Pray that He will give them wisdom and spiritual insight as they do battle in spiritual warfare. They will be helping young people make decisions that will literally determine their eternities. Pray that our attendance stays up. That always makes a difference in our worship. When part of the body is missing it effects the rest of the body. Pray for our giving. Summer is the time of year when our budget is faced with it's biggest challenges. It is the most expensive time of the year. So be sure to be faithful in your praying, your attendance and in your giving. God bless.

News from Rachel Powell

The Last Days

Well, the time is closing in and things are starting to wrap up. I cannot believe the two years have already come and gone. Looking back over my time here, I can see how much God has truly grown and shaped me. I have also seen what He has done in the Malians around me. Although some of them still have not chosen to follow 'the Jesus Road,' some of them have chosen to follow, and I praise Him for calling them to Him. I know nothing I did here was through my own strength or power, but through Him and only Him.

As I head back home to Texas at the end of this month (July 31), I ask for your prayers for those I will be leaving behind. My co-workers who are still here working among many different people groups all in Mali. I also, ask that you pray for those who have heard but have not chosen to follow the 'Jesus Road,' that God will continue to reveal himself to them. Please lift up those who have chosen to follow, some who are facing persecution, and some who are still trying to figure out what it means to truly follow Jesus.

On a personal note, I would like to also ask you to pray for me as I transition back to America, make decisions about a job and seminary options. Thank you for ALL of your support and prayers. I really appreciate all of you!

The month of camp is finally upon us! After all the planning, fundraisers, early packing, camp is here! Our students and chaperones will be leaving early on July 5 to go to Centrifuge in Jackson, TN. We ask our entire church family to pray for safety and for God to move in the lives of our students and adults! We want to thank you for allowing us to go and all the support that makes trips like this possible!

July has shaped up to be a rather busy month. With all the different area to service, we would like to encourage our students to find some area to serve our church during VBS. Also in July, we have 2 rather fun events that we want all of our students to take part of. On July 14th, FFBC, Parkside, and First Baptist will meet out our church and have a messy games night! We would love to see all of our students represent us well, and get as messy as possible! I will also be teaching a Bible study for all youth groups.

Lastly, we will be taking our students to a Texas Rangers game on July 27. We will leave the church at 5pm with a cost of \$15. If you are interested you need to sign up ASAP.

Share the Warmth is a group that meets once a month to knit hats and scarves for needy children (distributed next winter). Everyone is welcome to participate, even if you have no experience. Also, donations of yarn are welcome. Next meetings will be July 17 and August 14.

Music Notes

July is here and it is such a busy month. We have vacations, youth camp, Vacation Bible School and many more activities. Due to the busy schedules we won't have our regular Wednesday night choir rehearsal during the month of July but we still need all choir members to fill the choir loft on Sunday mornings. When we resume choir practice in August it will be almost that time - yes, almost time to start working on Christmas music! Yes, I said it, Christmas music! Wow!

Enjoy the summer! See you Sunday!
