Can you believe it is May already? Summer is around the corner and there are a lot of things going on. It was a special thing to be at the True Love Waits Luncheon and seeing all of those young men and women making that commitment to their parents, to themselves and most important, to God. I say Amen and commit to continue to lift them up in prayer. God is good and Faithfulness to Him is rewarding. Congratulations to all who participated.

We have a lot of things coming up for the summer as we always do. But may I step back and encourage you to look beyond the program to the purposes for the programs. First and foremost we want to glorify the Great and Gracious God we serve. We want to lead precious souls to Him. And we want to grow ourselves in the Grace and Knowledge of our Lord Jesus Christ. If we can be faithful in those three areas our summer is going to be a great success. Pray for God's will in all of these areas. God bless.

May is here, which means summer is not far behind! That also means that graduation is nearing! If we have any students that will be graduating and wants to take part of our senior recognition, please see Brandon. We want to be sure you are included in this exciting time!

Our Student Ministry will be hosting a Camp Fundraiser Yard Sale on May 15. This will include many activities that will help alleviate the cost of CentriFuge camp. We would like to invite everyone to join us on this day, and would also ask that our church family get the word out. We will have activities going on May 15. We will also need as many donations as possible. We will have more information about donation drop-offs soon. Thanks in advance!

Lastly, we will be hosting a parent meeting soon. This meeting will have many purposes, but we will also be going over our summer schedule. We will be sending home more information about this meeting whenever it is available. Please begin to pray for our student ministry as we prepare summer!

CONGRATULATIONS, GRADUATES!

Music Notes

The month of May is already here! It's mid-spring and the month we think about things such as Mother's Day and how special they are in our lives. Thank God not just on Mother's Day but all year round for your mother whether she is still in your life or has gone on to be with the Lord. None of us would be here without our mothers. May also has students and teachers anticipating the end of another school year. Wow, it seems to go by so fast. Take time to thank your teachers or remember those teachers, administrators and coaches in your past who taught you so much and set you on the course that you are now on. Also, the month of may we remember those on Memorial Day who gave their lives so that we could enjoy the freedoms that we have today. We have so much to be thankful for - "Thanks be to God for his indescribable gifts!" Thanks to those who provided special music for our worship for the month of April: Nicole Minchew, the student praise team and the choir.
